Paging System for Church Nurseries

Grow Your Church Membership

Bring more families to your house of worship with the help of QuietCall. This paging system allows parents to leave children at the nursery, with peace of mind to fully experience church services. Parents are notified instantly via pager anywhere on the church campus if needed back at the children's nursery.

- > Standard stand-alone nursery paging systems include
 - Pagers
 - Battery Charger
 - Base station
- > Choose from several pager models and features:
 - QuietCall LTD™ – Vibrate Alert Only
 - Includes a promotional messaging slot to advertise upcoming events, recruit volunteers or make other screen announcements.
 - SmartCall™ – Vibrate Alert and Text Message
 - Send preset messages, like "Come to the nursery," "Child crying," or "Child is OK."
 - SmartCall Alpha Numeric Pagers allow up to four lines of text messaging with preset messages.
 - SmartCall Numeric Pagers allow up to 12 characters per message.

These high-quality paging systems provide the best performance and durability of any pagers in the industry.

With QuietCall, caregivers can easily notify parents the instant they're needed in the nursery during a worship service.

QuietCall LTD AIO™
All-In-One Unit

QuietCall Highlights

- > **Quiet Paging**
Notifies parents instantly and silently if they are needed in the nursery, without disrupting the service.
- > **Anti-Theft Feature**
Minimizes pager loss with an out-of-range alert.
- > **All Call Alert**
Alerts all parents at one time at end of service that it is time to pick up their children.
- > **Most Reliable Pagers**
Made from high-quality parts for the best performance and durability in the industry.
- > **User-Replaceable Rechargeable Batteries**
Battery replacement is easy and convenient, keeping the cost of ownership down.
- > **Smart Charging**
Dramatically extends the life of pager batteries without overcharging them.
- > **Unique System ID**
Prevents neighboring paging systems from interfering with your communication.

Choose from a Variety of Pager Models

HME Wireless has a diverse selection of the industry's most innovative, rechargeable pagers. Mix and match models

from an array of various shapes, sizes and functions to fit your budget and specific needs.

QuietCall LTD™ Pager

Our Most Popular Church Nursery Model

Sleek, ergonomically designed pager with a changeable slot for church bulletins and announcements.

QuietCall LTD AIO™

All-In-One Unit

Same functionality as QuietCall LTD, but in a smaller footprint All-in-One (AIO) format. The base station, battery charger and pagers are combined into one piece of equipment that holds up to 15 pagers.

CrystalCall® Pager

Two Model Options

CrystalCall Paddle Pager

Paddle includes double-sided slot for church logo and special instructions for parents.

CrystalCall Belt Clip Pager

Compact design clips to your belt.

SmartCall™

PLUS Text Messaging with Two Model Options

SmartCall Alpha Numeric Pager Model

Alphanumeric four-line customizable text messaging. Use for daily task scheduling or to notify "First Alert" personnel. Custom messages can be sent from the convenience of your PC.

SmartCall Numeric Pager Model

A more economical way to send text messages. 12-character display screen handles up to eight preset messages.

About Us

HME Wireless, Inc. (formerly NTN Wireless) offers a complete line of onsite messaging solutions to improve efficiency and service for churches and businesses worldwide. Church nurseries, restaurants, hospitals, salons, retail businesses and more count on HME Wireless to increase profitability, productivity and member or customer satisfaction.

The company was founded in 1995 as NTN Wireless, and had a name change to HME Wireless when it was acquired in April 2007 by HM Electronics, Inc. (HME). The company continues to be managed by the original NTN founders.

Parent company HME was founded in 1971, as a leading provider of customer-focused solutions to enhance the performance and productivity of businesses worldwide. HME's groundbreaking products, passion for excellence, and commitment to service have earned them the distinction of being the leader in wireless technologies for the quick service restaurant, professional audio, and communications marketplaces. HME is a privately held company headquartered in Poway, CA, with products in use in over 87 countries.
